

# IEEE IUS 2025

International Ultrasonics Symposium  
September 15 – 18, 2025 || Utrecht, Netherlands

## CALL FOR PAPERS

### KEY DATES

#### ABSTRACT SUBMISSION DEADLINE

April 14

#### AUTHOR NOTIFICATION

June 3

#### PUBLICATION SUBMISSION DEADLINE

August 31

### ORGANIZING COMMITTEE

#### GENERAL CHAIRS

Chris de Korte  
Jan D'hooge

#### FINANCE CHAIRS

Ayache Bouakaz

#### TECHNICAL PROGRAM CHAIRS

Ton van der Steen  
Alfred Yu

#### SHORT COURSE CHAIRS

Klazina Kooiman  
Marvin Doyley

#### EXHIBIT CHAIRS

Richard Lopata  
Caterina Gallippi

#### SPONSOR CHAIRS

Michel Versluis  
Hairong Zheng

#### WEBSITE & PUBLICITY CHAIRS

Massimo Mischi  
Eleanor Stride

#### STUDENT EVENTS

Andrew Markel

#### LOCAL ARRANGEMENTS & DUE DAY

Anne Saris  
Rik Vos

#### PUBLICATIONS & PROCEEDINGS CHAIRS

Steve Frear  
Hideyuki Hasegawa

#### WOMEN IN ENGINEERING

Makiko Kobayashi  
Dana Weinstein

#### AUDIOVISUAL ARRANGEMENTS

Gert Weijers

The 2025 IEEE International Ultrasonics Symposium will be the 62<sup>nd</sup> edition of this conference and will be held on September 15–18, 2025 in Utrecht, Netherlands. Utrecht is famous for its Dom Tower (the highest historic building in the Netherlands), the beautiful canals with dwarf cellars, lively restaurants and cafés, and Nijntje (Miffy). Doppler ultrasound was experimentally demonstrated in Utrecht. It is an eco-friendly city in which the bike prevails rather than the car. The conference building is located next to the railway station that has the highest turnover of daily passengers of Europe with excellent connections to all major Dutch cities. Amsterdam is only 25 minutes away. The conference encourages in-person attendance but also accommodates online attendees.

### SUBMISSION TOPICS

Abstracts should be submitted according to the information posted on the conference web page. Each abstract will receive careful review and evaluation by the symposium Technical Program Committee based on originality of the work, contribution to the state of the art and overall interest to the ultrasonics community. Papers are solicited describing original work in the field of ultrasonics.

- » Group 1: Medical Ultrasonics
- » Group 2: Sensors, NDE & Industrial Applications
- » Group 3: Physical Acoustics
- » Group 4: Microacoustics – SAW, FBAR & MEMS
- » Group 5: Transducers & Transducer Materials

### STUDENT PAPER COMPETITION AND TRAVEL SUPPORT

Students submitting abstracts are invited to participate in a student paper competition. To participate, the student must be the lead author and present their paper. Limited funds are available to support travel for IEEE UFFC student member attendees at the 2025 symposium. Awards will be given on a competitive basis.

IEEE Ultrasonics, Ferroelectrics,  
and Frequency Control Society
