

Tristan Rhys Williams

piano quintet

Performance notes:

All string instruments to be amplified, ensuring that all gestures such as percussive depressions, swish of loose bow hair and dulled piano sound be fore-grounded

String stave:-

Top stave represents pitches depressed on fingerboard (percussively and non arp. in first section [+]). Bottom stave represents action on strings.

Piano stave:-

Muted piano (use felt resting on surface of strings)
Usual right/left hand 5-line staves and continuation up (for r.h.) and down (for l.h.) prescribing arpeggio motion for the arms moving from wrist to elbow with connecting forearm. Always use fingerings starting with thumb (at base of chord for right hand and at top of chord for left hand) and employ consecutive fingers for remainder of notes in chord. Attempt to spread arpeggio gesture equally for the duration of the beat, making sure that the first point of the arm gesture (denoted by arrow) takes place concurrently with the hand chord and be sure to continue depressing every point of the arpeggio as well as the hand chord for the bar's duration.

Strings:

Key notes:

for bb. 1-2 and applicable to the entire first section

- *1 Percussively depress all four strings (non arp.) at the end of the fingerboard (highest point) and allow the depressed pitches/open strings to resound afterwards

- *2 Pizzicato with flesh of finger(s) always in ord. position
- *a Pauses to last approx. 2 seconds for hand to mute strings by lightly covering near sound-hole and continue to glide up fingerboard gesturally (see *a2).
Colla parte!
- *a2 Pauses to last approx. 2 seconds - watch string gestures to determine entry point of next bar (Cb will be deciding player due to length of fingerboard) and complement string gesture by removing hands from keyboard area and elevate them onto flat surface either side of music stand, preventing preparation of next gesture

Dynamics for first section will be low therefore all markings in inverted commas define the intensity of the gesture not the resulting volume

- *3 Strings use bow with very loose hair for second section. The looseness of the hair should be sufficient to allow the wood of the bow to make contact with the strings. The ensuing rapid arpeggio-like passages will consequently lack definition and volume; this is desirable. The only exception to this rule applies to the tremolo natural harmonic bars which should be played **near** the frog (marked 'frog') where the hair will still be tighter.

xsp extreme sul pont

- *b All pauses from this point should last approx. 1.5 seconds for all string players (when playing) to raise the bow in the air and lower again before executing next bar

All arrows on accidentals denote an approximate quarter-tone adjustment. Some multi-stops are difficult to realize (due to close positioning) - the effort is more important than accuracy.

Detailed description: This is a page from a handwritten musical score. The top half contains four staves for string instruments, each with two systems of music. The instruments are labeled V, V_a, V_b, and C_b. The notation includes vertical stems, horizontal strokes, and small numbers like '3' and '9'. The bottom half is a single piano staff with four systems. It features hand position markings: 'ELBOW', 'ARM', 'WRIST', 'R.H.', 'L.H.', and 'WRIST' again. Arrows indicate the movement of the hands between these positions.

Handwritten musical score for strings (Vn, Va, Vc) and piano (Pno). The score consists of six staves. The top three staves represent the string section, and the bottom three staves represent the piano. The piano part includes specific instructions for the hands and wrists.

String Section (Vn, Va, Vc):

- Staves 1, 2, and 3 (top) show sustained notes throughout the measure.
- Staff 4 (Pno) shows a rhythmic pattern of eighth-note pairs. Measure 1 ends with a dynamic instruction $pizz.$. Measures 2 through 6 end with $pizz.$ and a measure number (III, IV, V, VI).
- Measure 7 begins with a dynamic $pizz.$ and ends with a measure number VII.

Piano (Pno):

The piano part is divided into four sections:

- Section I:** Labeled "Pno" above the staff. It features vertical strokes (downward for R.H., upward for L.H.) and horizontal strokes (left for L.H., right for R.H.).
- Section II:** Labeled "R.H." above the staff. It features vertical strokes (downward for R.H., upward for L.H.).
- Section III:** Labeled "L.H." above the staff. It features vertical strokes (downward for L.H., upward for R.H.).
- Section IV:** Labeled "Wrist" above the staff. It features vertical strokes (downward for R.H., upward for L.H.).

Hand/Wrist Instructions:

- Elbow:** Indicated by a bracket under the first two sections.
- Arm:** Indicated by a bracket under the third section.
- Wrist:** Indicated by a bracket under the fourth section.

Handwritten musical score for orchestra and piano, page 18, measure 154.

The score consists of six staves:

- Vn**: Violin staff.
- Va**: Violoncello staff.
- Vc**: Double Bass staff.
- Cb**: Cello staff.
- Pno**: Piano staff.
- ELBOW**, **ARM**, **WRIST**: Armature markings for the piano player.

Measure 154 starts with eighth-note rests for all instruments. It then transitions into a dynamic section with various dynamics (e.g., fpp , p , ppp) and performance instructions (e.g., "ord.", "frogs.", "xsp.", "ord.1"). The piano part features complex arpeggiated patterns with specific hand movements indicated by arrows and letters (A, M, W).

Continuation of the handwritten musical score for orchestra and piano, page 18, measure 154.

The score continues with the piano part, showing armature markings for the left hand (**L.H.**) and right hand (**R.H.**). The piano part includes a series of eighth-note chords and specific hand movements (e.g., "up", "down", "in", "out") indicated by arrows above the staves.

Handwritten musical score page 334. The top section contains six staves for woodwind instruments: Oboe (O), Bassoon (B), Clarinet (Cl), Bassoon (B), Clarinet (Cl), and Bassoon (B). The bottom section contains four staves for the hands: Right Hand (R.H.), Left Hand (L.H.), Wrist (WRIST), and Elbow (ELBOW). The score includes dynamic markings like [ord], [ppp], and [ff]. The hands' staves show complex fingerings and hand positions corresponding to the woodwind parts.
